Dear brother Sam:-
 Your kind
 letter containing the
 draft came safely and
 should have been acknowl-
 ed sooner - We have
 so much these days to
 take our time and at-
 tention that the days
 come and go all too

We were glad to hear
 about the progress of

Sister Margaret ^[3] and she said she would not have known me but for my resemblance to Sarah. She and Bernice painted while she was here. The study was a pretty woodland scene and although it was rather difficult for Bernice yet, with Gury's help and re-touching her picture is almost as good as the other, and we prize it very much.

We hear every week from Ethel who is still working keeping in Durm North Carolina. Both she and Walter write of unusually warm weather but beautiful Oct. is here and we will try to enjoy it as much as possible.

Thanking you again for your kindness and with best wishes for your health and success in your work I am affectionately yours
Sister Joanna
