October 24, 1910

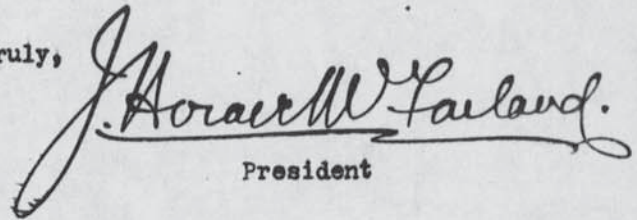

Dear Dr. Bade:

I have yours of October 17. Mr. Watrous has called my attention to that editorial of yours in the "Independent" under date of October 18. I am glad you have spoken so frankly and straightforwardly about this important matter. We cannot too fully emphasize the need of retaining a little beauty, at least, to flavor the sheer, stark, flat, so-called economics which some of these gentlemen think is the only ideal.

With best wishes, I am

JHM/G - ACA

Yours truly,

President

To Dr. William F. Bade,
