HOUSE OF REPRESENTATIVES

WASHINGTON

January 1, 1908.

Prof. J. William White,

1810 S. Rittenhouse Square,

Philadelphia, Pa.

Who's who address
18 Concord Ave
Cambridge Mass

1913

Dear Sir:

I beg to acknowledge receipt of your favor of recent date protesting against the use of Hetch Hetchy for the storage of water for San Francisco. I will take pleasure in laying your communication before the committee and can assure you that it will receive due consideration.

Yours very truly,

J. C. Smith

Dear Mr. Muir:

I wish I could do something more to help you. I have written to the other Congress - now mentioned in your circular letter.

I shall speak of the matter to Secretary Root (whom I happen to be seeing occasionally) and to Secretary Garfield.

Let me know if you think that in any other direction my influence - unfortunately small - might count.

Yours very truly

John Muir. Secy.

J. William White
