JAN. 1908?

Martinez Wednesday

Darling Helen, I got home Monday only a few hours late tho No 7 was in 5 sections. All are well except Strutzel who has measles, & wicked Charlie Baumgard who fell on the hill & broke his leg. He is in the hospital & I suppose some of us should visit him big summer tho he be. Have laid the business we discussed Sunday before Mr Coleman & it will be settled some how ere long. I had a fine hearty letter from the President. No rain today. Remember me to the Van Dykes & Miss Brodt, & to your most cautious self. Never forget your strenuous climb to health. Your best lover J.M.
