Tucson. <sup>C. 13</sup> Arizona  
Feb. 7<sup>th</sup>

My dear Mr. Muir,

The post came  
with the lovely kind  
of the Yavapai Valley,  
bearing you good  
wishes for the coming  
year. We are fondled  
me from home & you  
cannot send how  
pleased I was that

you may wonder <sup>L32</sup> at the heading  
in this letter, but here my two girls  
& I came to pass the winter with  
my son who is Superintendent of  
this division of the Southern Pacific  
R.R. We find the climate  
perfect at this time of the year  
& the desert interesting. Before  
long we return east to the bedding  
of Concha Hassiman -

It would be such a pleasure  
to have our paths again cross -  
I should like to hear  
nothing in & surely would  
see us. May this year have  
pleasures for you. Betty sends  
her love to you & my deepest re-  
gards. Sincerely Dawson Averell
