Martinez. Mar. 9<sup>th</sup> 1908

Darling Helen: Be very careful  
how you venture on cooking  
do very little of it, avoid the  
slightest approach to weariness  
or getting over heated at the  
stove. Few things could do  
you more harm than  
this. I'm glad you like the  
trade I made. I don't see how  
we can advantageously change  
it so as to avoid the \$3000.00  
note, for both the Berkeley property  
& S. F. lots are valued highly by  
Wanda & if you got either you would  
have to pay too much cash.  
I think we better let it go as it is  
& make changes later if necessary  
after circumstances develop. I'm getting  
quite strong & hope to get into Yosemite after  
the heavy snow melts. Was in Martinez today.  
my first post grippe ride. Wanda & all the  
Hanna tribe are quite well. Remember me

To all the Vandys -  
Even when leaving  
Jesse's fire.
