Dear Pafa-

I wrote the enclosed letter about a week ago and thought you had received it - but Helen put it away and forgot to mail it - She only found it this morning.

It was very hot yesterday but is windy again today.

Helen is feeling fine and enjoying the hot weather.

I am well again and expect to be home about the 10<sup>th</sup> of June. I am having a good time down here in spite of the heat and sand and Helen and I have had some fine horse back rides but I am getting pretty anxious to get back to my mud house and get my baby home again.

Lovingly

Wanda
