Martinez, Dec. 28, 1908

Dear Mr Calkins:

The fight for Hetch Hetchy Valley & the Yosemite Park in general is on again, & I am sending you with this a few copies of a circular letter the Sierra Club is mailing to the members, urging the sending to Congressmen protest against the City schemers. Your coming so bravely & effectively to our help in the first battle I am anxious to have you with us again: I think we must win, for civilization seldom takes so great a step backward even in these triumphant dollar laden commercial days.

With kindest regards to Mrs Calkins & your son & wishing you all a good new year, I am ever faithfully yours John Muir.

Hope the frost has not injured your young hopeful trees
