Dear Mr Browne.

Here is the best I can  
find on Bibliography though  
far from complete

J.B. & Co in our merry wanderings  
brought much real pleasure  
but far the best gift of  
the Spring of 1909 is Yourself,  
a gift that will make the  
year forever memorable

That Heaven may ever  
bless you is the devout prayer  
of your friend  
John Muir
