My dear Mr. Johnson:

In addition to what I have said to you in correspondence respecting the Hetch Hetchy Valley, and in reply to your letter of June 10, just received, will say that it is my intention to visit the valley during the summer in connection with a visit to the Yosemite, and I hope to become better informed in connection with the situation.

Very truly yours,

Secretary.

I told him he must not fail to see  
you. Look out for him!
