Dear Mr Johnson

I had a good telling
time with the President &
Sec. Ballinger in Yosemite
& Hetch Hetchy. Everything
looks promising for
our side of the fight.

Tho of course nothing quotable
has yet been given out
Colby & the Club are hard
at work on a new pamphlet
& plans to get at least the
Hetch Hy part of the garbage
grant revoked & legislation
to stop for good the violation
of national parks in general.
Just as I was leaving the
park I took a severe cold.

Like ussper I have been laid
up ever since with perpetual
numbing headache. But am getting
better & hope to be able to work soon

Ever faithfully
John Muir
