Dear Mr. Colby:-

I thank you for the sketch of the territory desirable as an addition to the General Grant and Sequoia National Parks, and for your information on the King's River carriage road and the trail from the canyon up Copper Creek and down to Tehipite.

I noticed in the Chronicle a few days ago a revival of the Blue Lakes scheme for a water supply for San Francisco. What do you know of this new company? Is there anything likely to come of it that will be favorable to the preservation of Yosemite Park?

Glad to hear of the continued improvement in Keith's health.

With warmest good wishes to you all,

Faithfully yours,
