Darling Helen,

I hope ere this
you have found
a good cool morning
camp for your little
family. Watch the
babe's gums. He is so
perfectly healthy the
danger is comparatively
slight, but at best
care must be taken to have
the gums lanced if the
pain is great enough
to cause restlessness
and don't forget care
of your dear self

I've just returned
from New Haven
The Yale commu-
-ment exercises were
magnificent.

I received honorary
degree of doctor of Letters
in most flattering
style. I hope to
be able to send you
photo of myself
in academic robes
worn too in heroic
style.

Send letters hereafter
to R. U. Johnson
