My dear Mr. Muir;

I heard Sunday that you were with Mr. Burroughs, and hoped you would come to Boston before your return to California.

I am going West this month myself. "Country Life" wants me to make some views of your place at Martinez. I would be glad if you will permit me to make some while you are there.

How I wanted to go with you to South America. I must give up the Sierra Club trip to Kern Canyon. I go from here to Grand Canyon, then Yosemite and Yellowstone.

I will be glad for a line letting me know of your plans for the summer.

Yours truly,

Geo. R. King
