Hollywood, Cal., June 10, 1912.

1525 Formosa Avenue.

Dear Mr. Colby:-

The train on which I started for Los Angeles left so early that I was not able to see you at the Mills Building. I am glad to hear the good news about securing the Soda Springs. Of course I will stand by you in making up the required sum.

I am working on my notes down here, but I hope to be in San Francisco before you start. I cannot say at present that I will be able to go to the Kern River with you. I have been away from home so much and have so many things on my hands that I will be awfully busy the whole summer I am afraid. Still I may possibly go part way with you.

With all good wishes, I am, *with love to*  
*The Parsons,* Ever faithfully yours,

*John Muir*
