Dear Professor Muir

It was most kind of you to send me a copy of your book "Stickeen" some months ago & I hope you will accept my apologies for the delay in expressing my thanks for the book & the kindly thought which prompted the sending of it. I have found it very interesting as have also many of my friends to whom it has been lent. I trust the remainder of your tour after we parted at Umatali passed off pleasantly & profitably from the scientific point of view & that some day you will pay another visit to this land of beautiful mountains & rolling plains. If you do my wife & I will be pleased to put you up & give you a good time. Let me conclude with best wishes for a Happy Xmas & a Joyous New Year.

With kind regards,
Very sincerely Yours
G. H. S. G. S. G.
