Mr John Muir  
Martinez Calif

My dear Mr Muir  
"The Mountains of California" with forests, cliffs canons and waterfalls have been made accessible to me during the past few weeks.

I had now and then visited them in former years but with you as a companion I am led ~~into~~ to share in some degree the more intimate acquaintances which you have with the rocks trees birds and flowers of the Sierras.

I have read some science that is soulless. You write as a true lover of nature.

Having read your book (usually

a chapter only at each sitting) I now thank you profoundly for the pleasure that you have given me and the new light you have thrown upon subjects in which I already had a deep interest.

I sincerely trust that I may meet you before we pass on to the other side. My wife and I plan to ~~leave~~ leave Pasadena Mar 25 direct for Mexico. I hope to visit Miscon in June en route to Charleville Mich. I am invited to stop in Beloit.

Sincerely Yours

Julius Bierge
