My dear friend,

Your loving kindness is boundless in every direction. I wish I was able to put to use your kind plans for my comfort. I don't know when the next club meeting is to be, but anyhow I mean to pay you a visit as soon as I feel able. I'm getting well, & fortunately am able for pen work though the amount ahead of me seems endless. Mrs. Parsons comes from Berkeley a day or two each week to typewrite which is a great help. But I should have a secretary at work all the time.

I was sorry to have to miss Dr. Brammer's club dinner,

Your husband is to be envied  
for his admirable capacity  
for hard work without  
rest. I hope to see you  
all at Berkeley.  
I had a delightful visit  
the other day from dear  
Anderson. another brave  
worker.

Give yourself no trouble  
care for blessed Jennie's right  
development. As well fuss  
about the proper development  
of a rose bud.

The tin came safely &  
has its place here with the  
countless others you have  
sent everyone of them in  
finest good taste.

I'm at work on old Alaska  
notes, don't know whether  
anyone will care to read them.  
Anyhow I had a glorious goodly time  
up there. With love to you all three  
John Muir
