Esteemed Friend

John Muir

I have made some inquiry
in regard to thy book on
"Alaska" hoping it was coming
out at this time, but did
not hear of it yet. Where
can I get it when it is
ready. Thy book on the
"Greenland" I have read also
"Stickers" & "Our National Parks"
and am waiting for
"Alaska" & thy Autobiography

I have enjoyed them all.
I have as yet read. Have
just finished reading
of a party who traveled in
Alaska, lately & the book
was written by Marshall
Scott. The unfortunate part
was, they killed so many
beautiful animals.

Sincerely
Jammie P. Carter.
