Martinez, July 1, 1897

My dear Mr Lukens

Your little visit at our home

was greatly enjoyed by us all.

I am hope you got home safely
I found your family well.

I have just been writing to Sargent
about those wonderful oaks 16 ft

in diameter & Douglas Spruce 400
to 500 ft high, also about the Paton

hemlock in the San Gabriel Mountains.
Now I'll be on Puget Sound this

summer with Sargent & I write now
for exact information as to how we

will find those immense Douglas Spruces.
Also give me the address of those glorious

oaks. If after you visit them you find them
16 ft in dia I will promise to come right

down & see them myself. Remember me to Mrs
Lukens & convey my thanks for her kindness when I
was in Pasadena last summer, & remember me to
