needs further tutoring. She
works conscientiously but
somewhat blindly, I fear. She
requires more guidance and
more drill in the Syntes
than it is possible to give
her in class. I am sorry
that I have not the time
to tutor her myself.
Her reports are for the
term, in mathematics (both classes)
2nd Section in history 2nd Section
and in Latin 3rd. It is
a pleasure to have her in
my history class and I
only wish she were as
satisfactory to herself & to us

MISS HEAD'S SCHOOL,
2538 CHANNING WAY.

My dear Mrs. Davis.

I am glad to be able
to write you that Vanda has
made some improvement in
her Latin this term, but her
work is not yet up to
that of the Cicero class. Mrs.
Head hoped that Vanda could
get along by herself but she
did not feel certain that
Vanda could. She passed in
her final examination but
there was a number of
omissions and I think she

in Satya as she is the history.

I think Jean Secore an excellent
tutor in Satya - a young girl who has done
special work in Satya at the University and
who is clear and exact in her methods
- and withal a very charming person.

I want to tell Grand again how pleased
I am over her Christmas gift. Tell her
too that I hope the Santa Fe train will
be running in June in the second of
January.

Believe me very sincerely yours
Marion Dawson
