My dear Mr Johnson
You are very kind in promising
to send us Tesla. I shall be
delighted to know him. He seems
to be one of a thousand thousand
& more. Mrs Muir seems to know
him well already, though they
have not met. She says that
he knows far more of the Lord's
lightning than Edison.

I'm in no hurry for Alaska
money. When is the first article
coming out?

I'm peezing away at the book
Send me another set of my old
articles for the book if you can

Heaven grant you the strength of
ten. You need it in the place you fill
Ever lovingly admiringly yours
Edm Muir
