OFFICE OF
THE SIERRA CLUB,
Room 56,
ACADEMY OF SCIENCES BUILDING.

SAN FRANCISCO, Jan. 27, 1894

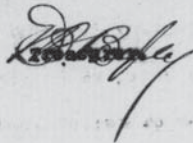

MR. JOHN MUIR,
MARTINEZ, CAL.,

DEAR SIR:-

Herewith please find copy of the
Resolution in re the Washington National Park.

Kindly sign the same over Prof. Jordan's
signature and return to me. You will see
that the wording of your letter to me has been
embodied in the resolution as being eminently
fitting. With kind regards, I remain,

Yours truly,

So do most of the ~~Hott~~
birds cross the courses
of the ~~mount~~ gles. as
they fly from one to
the other of the last
mors. ^{wh} stretch along
the Canon walls.

trace the muramis
to some extent -
because the forests
are growing on them
but they frequently
cross from one to
the other & draw
exceedingly angular
& complicated courses
