Dear Mr. Muir, -

Responsively to your request of the other day, I am sending you by express an octavo parcel. Of the Bay-Region Manual I have enclosed two copies, which you are to receive as one. That in paper covers matches, in size, the "Pittoma" and "Flora Franciscana" volumes; and in this whole series - or at least, in the appearance they make on the shelf, all in a row, when neatly bound - I take some pride! Parts IV & V of the Flora Franciscana I hope to complete next year.

Yours Very Faithfully  
Edw. L. Greene.
