My Dear Miss,

I have "lived over" our visit many times, and always with a pleasant remembrance of our hosts who "spoke by the record, Sir" - and his admirable lady, to say nothing of the "School-ma'am".

Now, what I want to know is, - when are you going to get so "tired of writing" that you will come and spend a few days with us? You know, Mr. Hamilton is in sight, and I have not forgotten your promise.

I cannot mail you that book, "The Silver Gun", but will rather hold it until you come, or bring it to S. F. and leave it when you can get it. I want to have you read it, for I know you will enjoy it. - In default of that I send you "Marta Spring" - simply to ask you if you ever took "Carbonic gas" in this form before? All are well, - and we send kindly greetings to yours.
