My dear friend - We returned from
our cottage at Puckama Lake about
a week ago & found your book and
your kind letter of the 30th ult awaiting
us both of which we were very glad
to get. Our house has been since our
return & is now full of company so that
wife and I have not had time to more
than glance over your book & as you say
"it seems to read pretty well" & we both
look forward with much pleasure to its
perusal. Before going to the club house
(some six weeks ago) I had been very ill
for 4 weeks & while I am now very
much better, still do not feel the "best"

in the world" so Fay says she is
going to take me to California this
winter. I hope we shall be able to
come out about the first of January and
as Fay says I always take her to Southern
California & then give her only 3 or 4 days
in San Francisco so this year she is going
to take me to San Francisco first and
to Southern Cal after she has seen San F.
Remember me kindly to Mrs. Miner & the children
not forgetting your dear "mother-in-law" as
you need to call her.

Fay & Frank both join me in thanks for
your book with kindest regards -

Yours truly
A.H. Sellers
