Mr Edward Hughes.

My dear Sir:

I heartily thank you  
for the lot of good clear  
Lassen photographs.

The Sugar pines in several of the  
pictures are very good & with  
your permission would like  
to reproduce one or two of them

The view on Bailey Creek is also  
good, & that of the upper storm-  
beaten edge of *Abies magnifica*  
forest.

The Cassiope you kindly brought  
me I prize. It is the first  
photo of my darling heathwort  
I have ever seen. Do try to get  
more of it, & make some  
effort to get its charming  
companion bryanthus also. Ever cordially  
Yours John Muir

I shall be glad to see you again. Come  
whenever you can.
