Dear Mr Hughes:

Many thanks for your kind letter of the 14<sup>th</sup> ult. & the package of photographs. The chipmunk is a gem - the only life size picture of this blessed little beast I have ever seen. That of myself from your own negative my wife & daughters say is capital, & so it seems to me, & it is to be framed.

It seems surprising that you have been able to get so fine & telling an effect from so small a negative.

The copy from the new negative is quite satisfactory & I enclose \$6- for a dozen copies & the negative, which any

Time at your convenience I wish  
you could hand to Mr  
McCullagh as I don't know  
his address.

I thank you also for your  
kind article in the "Mail"  
You should describe some  
of your trips in the mountains  
I feel sure they would be  
interesting for this article  
shows you can write  
& with your fine photographs  
you could give first rate  
illustrations

Thanking you again & realizing  
the depths of my indebtedness

I am sincerely yours

John Muir
